OFFICE OF THE DIRECTOR,

Dated, Bangalore, 7th January 193 3

9

DEVELOPMENT SECRETARY
9. JAN. 1933

FROM

N. RAMA RAO, Esq., B.A., B.L.,
Director of Industries and Commerce in Mysore,
Bangalore, (India.)

To

The Secretary to the Government of Mysore,

Development Department, Bangalore.

SIR,

I have the honor to invite reference to my letter of even No. dated 5-1-33 reporting that I have transferred the services of my Industrial Assistant, Mr. R. Ananthasubrahmanyam, B.A.B.L to the Mysore Sugar Company and appointed my Commercial Intelligence Superintendent, Mr. H. K. Ramiengar, M.A., to act in his place. It is necessary to make an appointment in place of Mr. Ramiengar as the duties of the Superintendent, Commercial Intelligence, are so many and so important that the post cannot be allowed to remain unfilled. The Superintendent, Commercial Intelligence, attends to the collection, compilation and reviewing of statistical information and the correspondence relating to the administration of the various regulations, the operation of which has been entrusted to this Department. He has also a good deal of important drafting work to do as my Office Assistant. It is very necessary to make an appointment to the post with the least possible delay.

I propose to take this opportunity of recruiting to this Department a candidate possessed of high qualifications of a kind calculated to be useful on the commercial and administrative side of its activities. Sometime ago, a candidate possessed of such qualifications, One Mr. S. L. Rama Rao, submitted an application to the Dewan of Mysore seeking for employment and that application was sent to me by the Secretary, Central Recruitment Board, with an enquiry whether his services could be availed of in my Department. There was no vacancy at that time; and now that an opportunity has occurred, I have intimated the fact to the Secretary, Central Recruitment Board in the letter, of which I submit a copy herewith for reference. As stated in that letter I recommend the appointment of Mr. S. L. Rama Rao, as Probationer on Rs 150/- per mensem and his posting to my Department. His appointment may be for one year in the first instance and his future prospects may be made to depend on the manner in which he benefits by the opportunities of usefulness offered to him. This appointment may be against the sanctioned post of Superintendent, Commercial Intelligence, which will be kept unfilled during the period of Mr. S. L. Rama Rao's probation. I beg that you will kindly move Government to sanction the above proposals.

I have the honor to be,
Sir,
Your most obedient servant,

N. Rama Rao
Director.

7th January 3

The Secretary,
Central Recruitment Board,
Bangalore.

With reference to your letter No.2707-10 dated the 8th Novr. 1932 enquiring whether the services of Mr. S. L. Rama Rao, B.A., B.Sc., could be availed of in my Department and in continuation of my letter of even No. dated the 9th Novr. 1932 stating that - there was no suitable vacancy at the time, I have the honor to state that in consequence of the transfer of the services of my Industrial Assistant, Mr. R. Ananthasubrahmanyam, B.A., B.L., to the Mysore Sugar Company, I need the services of a suitably qualified Officer in my Department and that an opportunity has arisen for considering Mr. S. L. Rama Rao's application to the Dewan of Mysore. I recommend that Mr. S. L. Rama Rao may be entertained as a Probationer and attached to my Department against the vacancy of Superintendent, Commercial Intelligence which has resulted from the appointment of Mr. H. K. Ramiengar, M.A., to act as Industrial Assistant vice Mr. R. Ananthasubrahmanyam. The post of Superintendent, Commercial Intelligence, is one which requires capacity for clear drafting, and for collecting, compiling and interpreting statistics. The Superintendent, Commercial Intelligence, has also to attend to the administrative work connected with labour. I - believe that Mr. S. L. Rama Rao is qualified to be recruited for the post though, of course, he would need both training and application. From what I have seen of the young man, I am favourably impressed with his capacity and feel that in course of time, he will make a very useful officer.

I have in this connection made a separate recommendation to the Secretary, Development Department, to obtain the administrative sanction of Government for the post of Probationer and I have proposed that the may be fixed at Rs 150/- and the period of probation at to one year.

I have the honor to be,
Sir,
Your most obedient servant,

Director.

SIR,

I understand that the place of Superintendent of Commercial Intelligence in the Department of Industries and Commerce has fallen vacant consequent on the promotion of the present incumbent as Industrial Assistant. I beg to submit this my applica-tion for the same.

As regards my qualifications, I may say that I am a Bachelor of Commerce of the Mysore University, and hold an Auditor's Certificate from Government since 1925 under the Companies' and Income-tax Regulations. I have also passed the Local Service Accounts Higher Examination and the Departmental Subordinate Accounts Service Examination.

I have put in a service of more than six years in the Mysore Accounts Department. My permanent place is that of an Accountant, but I have been acting off and on during the last three years as a Superintendent in the grade of Rs.120-6-150. I have during this period held charge of (among others) the Gazetted Audit section (including Travelling Allowance), and now of the Industrial Audit section.

I have had some experience as an Auditor of Government Commercial undertakings, Public Companies, Banks and private business concerns in Bangalore. I have also been personally associated with the management of several Co-operative Societies.

I served for nearly six months the year before last, under the Director of Sandal Oil Factory, as Special Auditor in connection with the Civil Suit against the Essenfleur Products Ltd., and I believe my work has been favourably reported on.

In conclusion, I feel there is special scope for such qualifications and experience as I possess in the appointment of Superintendent of Commercial Intelligence, which I now respect-fully seek.

Certified that Mr.V.Venkatachar was a student of this college from June 1930 to March 1932. During this period as far as is shown in the records of the college his conduct was very good.

Mr.V.Venkatachar joined this college after obtaining the M.A.Degree of the Mysore University. He passed the B.Com. Examination of the Bombay University held in March 1932,in thex second class,and,as required by the University Regulations, also passed in Accounting at the Intermediate Commerce Examination.

During his stay at this institution,Mr.V.Venkatachar received a thorough training in all branches of Economics,as well as in Mercantile Law,Commercial Correspondence,Business Organization, English,and Advanced Banking: the latter being his optional subject

He is a fairly good speaker and won the First Prize in the All-India Debate Competition held in Allahabad in December 1931. THE UNIVERSITY UNION.

Mysore,
14th July, 1930.

Mr. V. Venkatachar is one of those rare students who are as brilliant in the Academy as in the world outside. His college record which is ubually fine bears witness to his proficiency in studies and his high intellectual attainments. His achievements in the field of sports are of no mean order. On my part I should like to lay stress on the very prominent part he played in the activities of the Union. As a Vice-President of the Union, elected by the members, he carried out the various duties that fell to his share with thoroughness and tact and with the highest sense of loyalty to the cause for which the Union stands. In debate and in drama, in the committee room and in the Chair at the Union meetings, he conducted himself with credit and distinction. The Union cherishes fine memories of his Vice-Presidentship and his fellow students feel that their choice for the highest office that lies in their gift was amply justified.

MAHARAJA'S COLLEGE, MYSORE.

17th July, 1930.

I have known V. Venkatachar, Esq., M.A., for the past five years as student of this college. His college career throughout has been exceptionally bright. He passed the B.A. degree examination in the First Class. In him I find a rare combination of Intelligence of a high order along with marked powers of application, which has won for him several distinctions and scholarships. In addition to such powers for abstract thinking and strenuous study, he possesses remarkable qualities of leadership. He is a persuasive speaker and a keen debator. His tactfulness and popularity among students is evidenced by his election to the much coveted Vice-Presidentship of the University Union. His services to Kannada literature as the secretary of the Karnataka Sangha are well known to all lovers of the mother tongue. As a Rover Scout he has undergone musketry training and has thus rendered himself a more useful citizen.

He now seeks opportunities of service under His Highness' Government. In my opinion he is eminently qualified for such service by reason of his high intelligence, exceptional performance at college and qualities of fellowship and leadership. I am certain he will prove a very able, efficient, and sympathetic officer if given a chance.

Mr. V. Venkatachar studied in this college throughout his B.A. course, in which his optionals were Economics and Political Science and Philosophy, and passed the B.A. degree examination, obtaining a second class in Part II. He was a very distinguished student. In the first year class he was first in Economics and Political Science and first in Psychology and Logic, and was therefore awarded prizes and a subject-scholarship. In the second year examination he was first in Psychology. On the result of the B.A. degree examination he was awarded the Shop Siddo Gowda Medal, which is given to the candidate who, taking Kannada, secures the highest total. He is exceedingly good in Kannada, and a Kannada enthusiast. In Union competitions he greatly distinguished himself, winning three years in succession the first prize for impromptu oratory in Kannada, and obtaining also prizes for recitation in English and in Sanskrit. For his work in Kannada he was given, by a Madras Society, the Rao Bahadur V. Ranganatham Chetty Gold Medal, and in Bangalore he won the Friends' Union Gold Medal for Kannada oratory.

This record shows his conspicuous ability and industry. He was also very popular, and was prominent in Union affairs and a member of the Union Committee. He was a good rover scout, and one of those who underwent musketry training, and he played tennis.

His conduct was entirely satisfactory.

Submitted to The Director of Industries and Commerce in Mysore -- with reference to his personal inquiry.

Rec'd from Rao Sahib S. L. Rama Rao on 20/1/33

My ancestors, both paternal and maternal, belonged to the Mysore district, Mysore City and Malavalli respectively. My grandfather, however, went to Coimbatore, where he and, later, my father settled. But our connections with Mysore have continued unbroken, and most of my near relations belong to the Mysore State. I may mention a few among them, viz; Mr. Malavalli Ramaswamiah, Retired Inspector of Schools, Mysore; Mr. S. Venkatkrishniah, Retired District Judge, Bangalore; Mr. H. M. Krishnaswami, District Judge, Bangalore; Messrs: B. Ananthanarayana Rao and Mirle Lakshminarasappa, both in the Palace Service, Mysore, and others. My brother Mr. S. L. Subba Rao is a house-owner and permanent resident of Basavangudi, Bangalore, and Mr. Belavadi Ramaswamaiya, Bangalore, (Retired Excise Commissioner in Mysore), is my maternal uncle and father-in-law.

In view of the foregoing facts I claim to belong to Mysore, and pray respectfully that the question, if any, ~~[illegible]~~, may be viewed favourably and my entertainment in the Public Service of the State, for which I have submitted an application, generously sanctioned.

SIR,

I understand that the place of Superintendent of Commercial Intelligence in the Department of Industries and Commerce has fallen vacant consequent on the promotion of the present incumbent as Industrial Assistant. I beg to submit this my appli-cation for the same.

As regards my qualifications, I may say that I am a Bachelor of Commerce of the Mysore University, and hold an Auditor's Certificate from Government since 1925 under the Companies' and Income-tax Regulations. I have also passed the Local Service Accounts Higher Examination and the Departmental Subordinate Accounts Service Examination.

I have put in a service of more than six years in the Mysore Accounts Department. My permanent place is that of an Accountant but I have been acting off and on during the last three years as a Superintendent in the grade of Rs.120-6-150. I have during this period held charge of (among others) the Gazetted Audit section (including Travelling Allowance), and now of the Industrial Audit section.

3r

I have had some experience as an Auditor of Government Commercial undertakings, Public Companies, Banks and private business concerns in Bangalore. I have also been personally associated with the management of several Co-operative Societies.

I served for nearly six months last year before last under the Director of Sandal Oil Factory, as Special Auditor in connection with the Civil Suit against the Essenfleur Products Ltd., and I believe my work has been favourably reported on.

In conclusion, I feel there is special scope for such qualifications and experience as I possess in the appointment of Superintendent of Commercial Intelligence, which I now respect-fully seek.

In the meantime, will you kindly place before him this copy of an application which my nephew Mr.K. Natarajan has put in for the vacant place of Superintendent of Commercial Intelligence ? The place carries a salary of Rs.200-20-300, and offers suitable scope, as I think, for Natarajan's qualifications and experience. I am aware of the Dewan's personal interest in the future of the young man, and I trust it is not asking too much for me to request his kind personal intervention at this opportunity. Sir,

I have the honour to forward herewith the application of Mr. Md. Abdul Quadir, B.A., LL.B., G.D.A., an accountant of this office for the post of the Superintendent of Commercial Intelligence in the Industries and Commerce Department for favourable consideration.

Government of Mysore, Bangalore.

Through, The Comptroller to the

Government of Mysore, Bangalore.

Sir,

I, the undersigned, Senior commercial auditor, Comptroller's Office Bangalore, most humbly beg to submit this humble petition for kind and sympathetic consideration of the benign Government.

The Government were pleased to appoint me as an Accounts Probationer in the year 1919 and subsequently deputed me to Bombay to undergo theoretical and practical training in commercial accounts and audit. After securing the Government (Of India's) Diploma in Accountancy and also the Degree of Bachelor of Laws I reported myself for duty at the Comptroller's office, Bangalore.

In July and August 1924, Mr. Satyaraj Chetty the then Comptroller, kindly forwarded to Government the reports on my work received from Messrs. K.S. Aiyer & Co., Accountants and Auditors, Bombay, and recommended me for the place of a Gazetted Officer in the State in his letter No. E.S. 206 dated 18th August 1924.(Copies of which are herein enclosed for kind perusal).

In this connection, I may kindly be permitted to state that copies of the said report and letters were forwarded by Government to (a) the Department of Industries and Commerce and (b) the Income-tax Department, to provide me with a Gazetted Officer's appointment. But each of the Heads of these two departments informed the Government that he had no suitable appointment for me at that time.

May I beg to submit that after a year or two Mr. D. Seshagiri Rao M.A., was appointed as an ~~Account Assistant~~ Commercial Accountant on Rs. 200-20-300 in the Department of Industries and Commerce and Mr. A.V. Krishna Moorthy, B.A., B.Com., as an Auditor on Rs. 200-~~20-300~~ 15-350 in the Income-tax Depart-

-ment

Department, though these gentlemen did not posses the same qualifications as I.

Now, I learn that consequent ~~to~~ on the appointment of Mr. R. Ananthasubramhanyam, B.A., B.L., as Secretary to the Mysore Sugar ~~Company~~ Factory, the place of Mr. H.K. Rama Iyangar, M.A.(Hons), Superintendent of Commercial Intelligence, on Rs. 200-20-300 will fall vacant, for which I Submit this application.

In conclusion I humbly beg to say that I have been patiently waiting and drawing a poor salary of Rs. 125/- and 126/- a month for the past NINE years. I therefore pray that the Benign Government may kindly extend their generosity to my pitiable case and redress my long standing grievances, by appointing me as a Gazetted Officer in the place expected to fall vacant in the Industries and Commerce Department.

I beg to remain,

Sir,

Re. Mr.M. Abdul Qadir, B.A,G.D.A.

In continuation of my Firm's letter of 22nd July 1924, I have now the honour to indicate the kinds of work for which Mr. M.Abdul Qadir is specially fitted by his theoretical and Practical Training in my Firm for a period of three years.

His training qualifies him in a very special way for Income-tax work and Industrial Audits. The Practical knowledge of different kinds of Mercantile Accounts that he acquired in my Firm will enable him to ascertain with accuracy the taxable profits of Merchants and small traders and detect false and erroneous entries in their Trading and Profit & Loss Accounts.

As he is the only holder of the Government of India Diploma in Accountancy in the Mysore State, and as he is one of the two Mohammedan holders of this Diploma in India, he deserves to be made a Gazetted Officer, and it will, in the interests of the Public Service, be desireable to make him an Income-tax Officer in charge of Assessment work. I submit that the very special Training he has received will remain unutilized, if he is continued as a subordinate in charge of routine work.

Sir,

We have the honour to report that Mr. M. Abdul Qadir, B.A., of your office has duly passed the Final Examination for the Govt. Diploma in Accountancy of the Sydenham College of Commerce & Economics, Bombay, and has further completed the prescribed period of three years apprenticeship in our Firm and has thereupon fully qualified for the Government of India Diploma in Accountancy. He was a Commercial Probationer of your Government in 1921-1922, in receipt of an allowance from your Government for one year, but stayed on for another two years at his own expense to complete the prescribed period of apprenticeship.

We have the pleasure to report that Mr. M. Abdul Qadir,B.A., is the only G.D.A in Mysore State including the Civil and Military Station of Bangalore, there being no other in your Province who has passed the Diploma Examination and also completed the prescribed period of practical Training. The Government of India and the Bombay Accountancy Diploma Board rightly attach more importance to the Practical Training than to the passing of the Diploma Examination.

We may incidently note that there are only two Mohammedans in the whole of India who have fully qualified for the G.D.A., one of whom is in the Service of H.E.H the Nizam and the other is in the Service of your State. Both these are entitled under Indian Company Law to practice as Auditors of Joint Stock Companies in any part of British India.

Mr. M. Abdul Qadir, B.A., has further attended the Law Classes in Bombay for two years and passed the First LL.B. Examination of the Bombay University and is expected to become an LL.B. of that University by the end of this year. We have the honour to remain,
